*Plan $F$ also has an option called a high deductible plan $F$. This high deductible plan pays the same benefits as Plan $F$ after one has paid a calendar year $\$ 2300$ deductible. Benefits from high deductible plan $F$ will not begin until out-of-pocket expenses exceed $\$ 2300$. Out-of-pocket expenses for this deductible are expenses that would ordinarily be paid by the policy. These expenses include the Medicare deductibles for Part A and Part B, but do not include the plan's separate foreign travel emergency deductible.
